Agenda Item Description* Consideration of an ordinance amending Chapter 50 "Health and Sanitation," Article II "Food Service Establishments," Section 50-21 "Food Service Sanitation Ordinance Adopted" of the City of Bryan Code of Ordinances, repealing all conflicting ordinances, and providing an effective date.

Summary Statement* To reflect revised State code language, and in particular, identifying the amended code addressing "Retail Food," staff recommends the City Council approve the proposed ordinance. The proposed ordinance reflects that Volume 25, Texas Administrative Code, Chapter 228, "Retail Food" replaces the Texas Department of State Health Services, "Rules on Texas Food Establishments," 229.161 - 229-171 and 229.173 - 229.175. This section of the code is used by the Brazos County Health Department to enforce the City's rules and regulations for food service sanitation.

This action is considered housekeeping in nature as rules and procedures merely fall within a different section of the Texas Administrative Code. To reflect this change, the proposed ordinances amends the City's Code of Ordinances to accurately reflect the change at the State level.

Staff Analysis & Recommendation* City staff recommends approval of this housekeeping item, which reflects the change within State code addressing "Rules on Texas Food Establishments," or formerly "Retail Food." The Brazos County Health Department is the "regulatory authority" responsible for enforcing the code.

If approved, the proposed ordinance takes effect immediately.

For more information about the "Rules of Texas Food Establishments," the Texas Administrative Code can be referenced, in particular Volume 25, Texas Administrative Code, Chapter 228, "Retail Food."

Options* (In Suggested Order of Staff Preference)

2. Do not approve the proposed ordinance and provide direction to staff
