Agenda Item Description* Consider awarding a construction contract for the City of Bryan 17th Street Sidewalks Project, City Project Number 350-D8-1502, to Larry Young Paving, Inc. for the not to exceed amount of $115,881.00.

Summary Statement* This contract will construct sidewalks along West 17th Street from San Jacinto Lane (SH21) to Muckleroy Drive except for where the 17th Street culvert is being replaced. The sidewalks in the culvert location will be installed with the culvert project, which is scheduled to be brought to the City Council by August 2016. The entire section of West 17th Street does not currently have sidewalks. When the West 17th Street sidewalk project and the West 17th Street culvert project are complete, this route will provide pedestrian access for those traveling to Kemp-Carver Elementary School and is listed on the approved 5 year Capital Improvement Plan.

On March 29, 2016, the City opened bids and three (3) bids were received for this project. Larry Young Paving, Inc. submitted the low bid ($115,881.00) representing the best value to the City. The other bids received were from Palomares Construction ($124,425.00) and Marek Brothers Construction ($136,206.31). The engineer estimate for this project was $107,760.00.
