Subject: Agenda Item Titled: Sandy Point Rd Sidewalk

Please place the item below on the Bryan City Council Regular Agenda for the August 12, 2014 meeting:

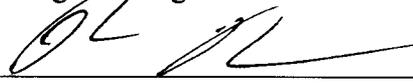

Discussion consideration and possible action to direct the city staff to add a project to the current year's budget for funding to construct a sidewalk from the entrance to Forest Park Apartments to State Highway 21 along Sandy Point Road in the right-of-way.

Description: A sidewalk is needed for the safety of the great number of children walking back and forth to school and other destinations. The County has tentatively agreed to provide the labor for construction. To reduce costs the sidewalk can be placed in the current right-of-way associated with Sandy Point Road.

Presentations: Councilmember Pena and Saenz.
