March 2, 2015  
Date

Additional comments regarding the application and reasoning behind the recommended funding are on the opposite side of this sheet.

## **Comments**

---

Below are comments from the Downtown Improvements Grant Review Panel regarding the proposed improvements and the justification for the recommended amount of funding. City Council makes the final decision regarding the amount of funds granted.

---

### **Application Review**

In Section II-E: Program Eligibility, it outlines the requirements for properties to be eligible to receive funding. The subject property does not meet the following:

- Qualifying buildings are to be used for commercial or multi-family uses; structures used exclusively for single-family residences will not qualify (Section II-E(d))

---

### **Drawings/Plan Details**

The plans proposed removing the existing wood framed windows and replacing them with historically inaccurate vinyl windows.

---

### **Additional Consideration**

The application meets the following additional consideration criteria as outlined in Section II-C:

- The property has not previously received DIP funding.

---

### **Other Comments**

Due to the property being used exclusively as a single-family residence, it does not meet the requirements of the Downtown Improvements Grant program.

*Tomos & Evangelina Gomez*

January 13,2015

Dear Bryan City Council,

We are pleased to hear about the City of Bryan Improvement Program. We have resided in the Downtown area since 1984, and have taken pride in improving what we can to insure the area remains clean and attractive.

We are the homeowners of 609 N. Tabor Avenue. in Downtown Bryan the home was built in 1935 and is in need of improvements. Our goal is to replace all 16 windows on the house and one exterior door. We contacted Sears Department store and a couple other companies for estimates, which you can find attached. Along side with the window project we plan on improve the front view the house by replacing the roof of the house front porch, and we will be adding limestone to the driveway. We plan on purchasing materials for the porch, driveway and door and doing the labor ourselves.

We estimated our grant amount to be about \$7,400.00. Thank you in advance for the consideration.

Tomas and Evangelina Gomez

# **Downtown Improvement Program**

## **Fiscal Year 2014 Application and Guidelines**

### Step 1

1. Set-up pre-application meeting;
2. Complete Grant Application and Associated Support Materials; and,
3. Submit Application Packet to Director of Strategic Projects.

### Step 2

1. Staff to check application for Completeness;
2. Review proposed improvements with appropriate departments;
3. Counsel applicant to resolve any identified problems; and,
4. Notify Historic Landmark Commission (HLC) Chair of application and schedule meeting date.

### Step 3

1. Staff to notify applicant of HLC meeting date prior to meeting; and,
2. Present application and grant request at the HLC meeting.
3. HLC to render a decision, and
4. Staff will notify property owner of their decision.

### Step 4

1. Staff will place the grant request on next available Bryan City Council agenda;
2. Prepare presentation for City Council; and,
3. Present request to City Council during meeting.
4. City Council to render a decision.
5. Staff will notify property owner of Council decision.

### Step 5

1. Applicant and/or agent will acquire required permits; and,
2. Begin work on improvements as approved.
3. When Construction is completed, the applicant will submit a written request for inspection of work.

### Step 6

1. Staff will inspect work and evaluate; and,
2. Work with applicant to resolve any identified problems.

### Step 7

1. Once the work has been accepted by the City, the Applicant will submit a written request for reimbursement with documentation of proof of payment.

### Step 8

1. Staff will review proof of payment documents;
2. Work with applicant to resolve any identified problems; and,
3. Disburse grant monies to property owner.

**CITY OF BRYAN  
DOWNTOWN IMPROVEMENTS PROGRAM**

This Agreement is by and between the CITY OF BRYAN, a Texas Home Rule Municipal Corporation (hereinafter referred to as "CITY"), and \_\_\_\_\_, property owner of PROPERTY ADDRESS, located in Downtown Bryan. (hereinafter referred to as "Grant Recipient").

As part of the City's Downtown Improvement program, both parties agree that this program makes Downtown more attractive, increasing the economic vitality of the buildings, increasing sales tax and property values, while preserving and enhancing Bryan's architectural and cultural history.

The Grant Recipient agrees and accepts funding from the City as part of this Downtown Improvements Program.

The Grant Recipient shall complete all work in the scope approved by Bryan City Council. The Grant recipient shall complete all Extra Work in connection therewith. All work and materials shall be in strict conformity with the specifications. The Substantial Completion of the work shall not excuse the Grant recipient from performing all the work undertaken, whether of a minor or major nature, and thereby completing the Project in accordance with the Grant Program guidelines and scope of work. In the event that the Grant recipient fails to perform the work as required for Final Completion, Grant recipient shall reimburse the City for all costs; or the City may contract with a third party to complete the work and the Grant recipient shall assume and pay the costs of the performance of the work as contracted.

## **I. DOWNTOWN IMPROVEMENTS PROGRAM**

- A. Goal:** Funds available through this program will be used to improve the buildings and building sites located in the eligible area of Downtown. The program will benefit the City of Bryan by making Downtown more attractive, increasing the economic vitality of the buildings, increasing sales tax and property values, while preserving and enhancing Bryan's architectural and cultural history.
- B. Objectives:**
- a. Restore and preserve the historical fabric and character of Downtown Bryan, ensuring the survival of the area's rich architectural and cultural history.
  - b. Stimulate redevelopment to increase sales tax revenues and property values.
  - c. Eliminate slum and blight conditions as they exist in Downtown Bryan.
- C. Eligible Area:** Refer to "Eligible Area" shown in blue on Exhibit "A", attached. Properties outside the eligible area that are eligible to be placed on the National Register of Historic Places may be considered on a case-by-case basis. Properties outside of the eligible area approved on a case-by-case basis must be designated a City of Bryan historic landmark by the Bryan Historic Landmark and Planning and Zoning Commissions and City Council before monies will be reimbursed.
- D. Eligible Improvements:** Eligible improvements are to include, but are not limited to the following:
- a. Repair or replacement of brick elements
  - b. Repainting of brick that has already be painted
  - c. Repair, repainting or the replacement of wood trim
  - d. Repair, replacement or new installation of canopies and awnings
  - e. Repair, replacement or new installation of windows, doors and storefronts
  - f. Removal of historically inaccurate "slipcovers" for assessment and repair of historic façades
  - g. Restoration of historic signage
  - h. Labor costs for eligible improvements
  - i. Other improvements approved by Staff and Council which are deemed to meet the objectives of this program
- E. Program Eligibility:**
- a. The matching grant recipient must be the owner of record
  - b. Owner must have clear title of the property with no adverse judgments of liens
  - c. The property must be located within the eligible area
  - d. Qualifying buildings are to be used for commercial or multi-family uses; structures used exclusively for single-family residences will not qualify
  - e. The property owner must be willing to comply with all local and state laws and regulations affecting the property, its rehabilitation and future use
- F. Policy and Conditions of the Grant Program:** Matching grants will be awarded for any approved improvements to the building façade or public right-of-way. Project proposals must be reviewed and approved before rehabilitation work begins. Guidelines are as follows:

- a. Matching grant amounts are awarded for 50% of the total estimated cost of the façade improvements, on a reimbursable basis. Grants awarded will generally be \$1,000 per linear foot of façade frontage (25-foot store-front will be eligible for a maximum grant of \$25,000). Qualified applicants will be required to match the awarded grant funds dollar for dollar. For grant requests for projects other than façade improvements, the maximum grant generally awarded will be \$10,000. City Council has final authority on all dollar amounts awarded.
- b. Qualified applicants will be required to match the awarded grant funds dollar for dollar. Agents of the property owner are not eligible to receive reimbursement. Reimbursement checks will only be issued to the owner of the property, and/or the property owner's designated financial institution.
- c. The total funds available in the Downtown Improvements Fund account at any given time may restrict the City's ability to meet a grant request.
- d. Professional Fees (Architectural and/or Engineering fees) incurred by the applicant may be eligible for reimbursement. In order for these funds to be applied, the City of Bryan will require a copy of the professional's invoice, a signed contract between the professional and property owner, as well as copies of all applicable documents prepared by the professional. Reimbursement of Professional Fees will be limited to 50% of the contract, up to, but not exceeding the following rates:
  - i. Architectural Design and Construction Documents-5% of project construction cost
  - ii. Engineering Design-5% of project cost
- e. The City of Bryan Historic Landmark Commission will review exterior changes to buildings requesting funding from the Downtown Improvements Program.

**G. Reimbursement Procedure:** As a general rule, all commercial or private funding for a project must be expended prior to the use of the City funding. Matching grant monies will be disbursed at the completion of improvements and with the acceptance of work by the City of Bryan. Documentation of proof of payment must be submitted with a written request for reimbursement. Acceptable proofs of payment for reimbursement include, but are not limited to the following:

- a. Itemized contractor and/or sub-contractor's invoices with the corresponding receipts and /or cancelled checks
- b. Paid Invoices for materials and/or supplies with the corresponding receipts and/or cancelled checks, or
- c. A release of lien from contractors, sub-contractors, and/or suppliers (A sample of the release of lien is available upon request)

The owner of the property will supply any additional documentation as required by the City of Bryan to confirm expenses.

**Project Duration:** Approved Construction must begin within sixty (60) days from the date of grant approval, and must be completed within one hundred and eighty (180) days or monies will be recycled back into the program and reimbursement will not be made.

**II. Changes to Approved Scope of Work:** The City of Bryan must approve any changes made to the scope of work. Funding will not be awarded for any changes under construction without prior approval. Significant changes to the scope of work will require the authorization of the City Council. Minor changes (those less than the amount set forth in spending authorization ordinances § 26-28 of the Bryan City Code) may be approved by staff. For properties located within the Downtown Historic District, all changes must be approved by the Historic Landmark Commission.

**I. Eligible Labor:** Matching grant monies may not be used to pay the property owner or members of the owner's family for labor on the project.

**J. Grant Limitations:** Façade improvements must comply with all state and local laws including all ordinances and regulations of the City of Bryan. The total funds available in the matching grant program at any given time may restrict the City's ability to fully fund a grant request. Matching grants shall be processed on a first come – first served basis, as grant monies are limited, and can be competitive. Consideration will include the necessity of the repairs or improvements, the benefit to the building and the general public, and the historic significance of the structure.

Matching grants may be used for approved work only. The total of city funded grants from the Downtown Improvements Program for a single property may not exceed the combined total of \$1,000 per linear foot of facade street frontage unless approved otherwise by the Bryan City Council.

## **II. INITIATING REQUESTS FOR THE DOWNTOWN IMPROVEMENTS PROGRAM (DIP)**

**A. Submittal Requirements:** Eligible property owners (see "Exhibit A") interested in the program should submit six (6) copies of the following on compact discs to the City of Bryan Planning Department by 5p.m. on the **third Monday each February**. Staff will review the provided information and may request additional information, if needed.

- a. A completed application form.
- b. A narrative of the project describing the work to be completed (max. 750 words).
- c. A minimum of four (4) current digital photographs (.jpg format) of the exterior of the property focusing on the areas of the proposed work.
- d. Historic digital photograph(s) of the exterior of the property if available.
- e. Drawings/plans detailing the proposed improvements (PDF format).
- f. Two (2) itemized cost estimates from two independent sources (see "Exhibit B"). Cost estimates from the property owner or any entity to which the property owner is associated will not be accepted.
- g. Current tax certificate showing no delinquent taxes for the property.
- h. Proof of ownership.

**B. Downtown Improvements Program Committee:** The program applications will be reviewed by the Downtown Improvements Program Committee (see Section IV) to ensure all funds are awarded to viable improvements that are in compliance with the Secretary of the Interior's Standards for Historic Preservation. Please be aware that in an effort to assist as many applicants

as possible with the limited program funds available, the City of Bryan cannot guarantee that all matching grant requests will be funded.

**C. Additional Consideration for Applications:** Upon completion of the submittal requirements mentioned above, additional consideration will be given to proposals that meet one or more of the following criteria:

- a. The property is listed on the National Register of Historic Places.
- b. The property is located within the Downtown Historic District, or other City preservation overlay or district.
- c. The proposed improvements will remove historically insensitive additions and/or maintain existing features (i.e., façade slipcover removal).
- d. The proposed improvements will attempt to reuse existing, historic materials instead of complete replacement with new materials.
- e. The property has not previously received DIP funds.

**D. Historic Landmark Commission Review:** With a recommendation from the Downtown Improvements Program Committee, all applications will be forwarded to the City's Historic Landmark Commission for consideration on the **fourth Wednesday each March**. The Commission shall either recommend approval, approval with modifications, or denial of the design proposal for each application. If a design proposal is approved with modifications by the Commission, applications may be modified to accommodate the Commission's recommendations before the matching grant application is forwarded to the City Council for final approval.

**E. City Council Review:** With recommendations from the Historic Landmark Commission regarding each design proposal, all matching grant applications will be forwarded for consideration by the Bryan City Council during its **second regular meeting each April**. The City Council may vote to approve, approve with modifications, or deny each matching grant application. If approved, a pre-construction conference will be held before the project can commence.

**F. Project Construction:** Upon application approval by the City Council, City staff will schedule a mandatory pre-construction conference for each approved application within thirty (30) days. Project construction must begin within sixty (60) days from the City Council approval date and must be completed within one hundred eighty (180) days from the beginning of construction, or monies for said project will not be distributed and returned to the program fund for the following fiscal year.

**G. Contact Information:**

### III. APPLICATION PROCESS FOR THE DOWNTOWN IMPROVEMENTS MATCHING GRANT PROGRAM

There are several steps to obtaining funds through the Downtown Improvements Program depending on the type of improvements proposed. City staff will review the application for completeness and eligibility before initiating the review process.

- A. **Design Approval:** The proposed changes must be reviewed and approved by the Bryan Historic Landmark Commission before the grant can be awarded.
- B. **Review Process:** The Planning Department will work with the owner to determine the appropriate review process(s). At a minimum, the owner will need to supply the reviewing entity with a written description and an elevation drawing of the proposed changes. Descriptions should be specific as to materials to be used, sizes, finishes, and colors selected. Owner will also supply three (3) color prints of each façade to be impacted and an itemized cost estimate for the improvements from a minimum of two (2) contractors. The Secretary of the Interior's Standards for Rehabilitation and the City of Bryan Design Guidelines will serve as the basis for reviewing appropriateness of changes to historic buildings. Copies of these guidelines are available in the Development Services Department. Additional information may be required by Staff as needed.
- C. **Building Standards Approval:** If funds are to be used to add construction, canopies, awnings, or other improvements within a right-of-way; correct code violations; improve structural stability; add signage; improve handicapped accessibility and or abate hazardous materials, the City of Bryan Building Services Division and/or the Site Development Review Committee must review the planned changes and issue the required permit(s) before the grant can be awarded. Submissions will vary depending on the improvements planned. Applicants should contact Planning Department, at 209-5030, for information specific to their project. All work undertaken will be inspected and must be found in compliance with all applicable building codes and regulations before the grant is awarded.
- D. **Financial Approval:** Development Services staff will review the two (2) itemized cost estimates for the project, proof of title to the building and proof that taxes are current. The applicant is required to have completed the design and/or building standards review(s) and received approval(s) before staff will review the grant application. The grant request will then be placed on the next available City Council agenda. City Council will approve or deny the grant request based upon their review of the application packet.
- E. **Inspections:** Inspections may occur periodically throughout the construction phase. At the completion of construction, the applicant will submit a written request for final inspection. A final inspection is required prior to requesting reimbursement, and will verify that all work approved for the grant is completed, and in keeping with the approved Certificate of Appropriateness, if any.
- F. **Reimbursement:** Once the City of Bryan has accepted the completed construction, the applicant may submit for reimbursement. Documentation of proof of payment must be submitted with the request in accordance with Section G "Reimbursement Procedure" of the DOWNTOWN IMPROVEMENTS PROGRAM document.

#### **IV. DOWNTOWN IMPROVEMENTS GRANT COMMITTEE**

DIP applications will be reviewed by the Downtown Improvements Programs Committee to help ensure that program funds are awarded to viable improvements that comply with The Secretary of the Interior's Standards for Historic Preservation and will award projects believed to have the greatest impact on the community with regards to aesthetics, social wellbeing, and economics. The Downtown Improvements Grant Committee shall be made up by the following individuals:

**A. City of Bryan**

- a. City Engineer
- b. Director of Strategic Projects
- c. Historic Preservation Officer

**B. Historic Landmark Commission**

- a. One appointed Commission member

**C. TIRZ 21 Board**

- a. One appointed board member
