AGENDA ITEM DESCRIPTION: Consider awarding a construction contract for the 2015 Street Maintenance Sealcoat, City Job Number 332-D3-1509, to Knife River for the not to exceed amount of \$625,714.98.			
<p>SUMMARY STATEMENT: This contract consists of sealcoating asphalt roads within the City. The Public Works Department has a five-year street maintenance plan that is used, as a guide, to select street segments in need of replacement, repair, or preservation. Staff carefully coordinates so subsurface utilities repairs and major base failures are completed prior to any pavement maintenance work. This contract consists of 41 streets (22.5 lane miles) receiving a sealcoat application. A list of street segments is attached to this Council Action Form. (Attachment B)</p> <p>Sealcoating is an application that has been selected to protect and pro-long the life of asphalt streets. Sealcoating provides a layer of protection blocking out elements such as water, gas and oils. A street on a regularly scheduled sealcoating program may extend the life of the asphalt, potentially saving significant dollars down the line. Furthermore, a sealcoat program was conducted in 2003 and year-to-date the selected streets have displayed an extended life cycle with only small amounts of wear and the streets remain protected. When applied properly (and at the right time), sealcoating prevents weather damage, pro-longs life and has a noticeable rejuvenation of the pavement.</p> <p>Three (3) competitive bids were received for this project. Knife River submitted the low bid (\$625,714.98) representing the best value to the City. The two other bids received were from Glenn Fuqua, Inc. (\$779,925.40) and Kegley, Inc. (\$1,246,823.08).</p>			
STAFF ANALYSIS AND RECOMMENDATION: Staff respectfully requests the City Council award the 2015 Street Maintenance Sealcoat Contract to Knife River for the not to exceed amount of \$625,714.98. The Public Works Department has collaborated on the selection of street segments based on the age/condition of the streets, work orders submitted by residents, and the condition of subsurface utilities in order to use the Transportation Fee most efficiently.			
OPTIONS (In Suggested Order of Staff Preference):			
<ol style="list-style-type: none"> 1. Approve the contract 2. Do not approve the contract 			
ATTACHMENTS:			
<ol style="list-style-type: none"> A. Bid summary B. Street List C. Contract (not attached, but is available in the City Secretary's Office) 			

FUNDING SOURCE: Transportation Fee - Fund 240

APPROVALS: Jayson E. Barfknecht 05/22/15; Hugh R. Walker, 05/30/2015

APPROVED FOR SUBMITTAL: CITY MANAGER Kean Register, 06/01/2015

APPROVED FOR SUBMITTAL: CITY ATTORNEY Janis K. Hampton, 06/02/2015

Revised 05/2013

BID SUMMARY

BID TABULATION #15-035 - 2015 STREET MAINTENANCE PROJECT - SEAL COAT - DUE DATE 05/21/15

All bids submitted are reflected on this bid tab sheet. However, the listing of a bid should not be construed as any indication that the City accepts such bid as responsive. The City will notify the successful bidder upon award of contract.
