Subject: ARFF Agreement - Texas A&M

Sally,

I appreciate the time on the phone this afternoon. As mentioned, I have attached a draft agreement related to renewal of the funding support from the City of Bryan for the airport rescue and fire-fighting (ARFF) operations at Easterwood.

Texas A&M and the City of CS are working on an inter-local with a three year term and a level, annual funding commitment of \$211,368 - the 1/3 participation from the City of Bryan being \$70,456. I have left the fields blank in the attached as I was uncertain as to whether Bryan would entertain a like 3 year agreement with TAMU – the current year to year agreements process is fine but wanted to leave the option open.

I can be reached at the contact information below if there are questions related to the proposed draft.

Thanks for the assistance.
