  X   Regular Meeting

Subject: Consider directing staff to research and provide options to begin a revitalization of Texas Avenue.

Discussion: We would like to have the staff research and bring back options and suggestions for a program to begin the revitalization of Texas Avenue in Bryan. These options could include, but are not limited to, hiring a consultant to develop a plan, creating a façade grant program similar to the Downtown Bryan façade grant program, creating a landscaping grant program, options regarding infrastructure updates (including underground utilities if economically feasible), possible incentives to attract new business to Texas Avenue, etc. Any and all suggestions to begin the dialogue that will develop a revitalization program for Texas Avenue should be discussed.
