AGENDA ITEM DESCRIPTION: Consideration of an ordinance to amend Chapter 130, Zoning, of the City of Bryan Code of Ordinances, to change the zoning classification from Agricultural-Open District (A-O) to Residential District – 5000 (RD-5) on 12.82 acres of land out of the John Austin League, A-2 located east of the intersection of Thornberry and Bullinger Creek Drives in Bryan, Brazos County, Texas.			
SUMMARY STATEMENT: The subject property is 12.82 acres in size and located east of the intersection of Thornberry and Bullinger Creek Drives. The subject property is currently vacant and has never been developed. Currently, properties to the west are zoned Residential District – 5000 and are developing with single-family residential structures. To the north of the property is outside the city limits of Bryan. The east side of the subject property is zoned Agricultural-Open, and it is a part of the Austin’s Colony Master Plan which is projected to eventually rezone the property for single-family residential development. To the south is property zoned Agricultural-Open.			
The property owners, Carrabba Family Limited Partnership, have requested to change the zoning of the subject property to RD-5. They wish to subdivide the property and develop Phase 13 in accordance with the Austin’s Colony Master Plan. The property was zoned to Agricultural-Open upon the annexation of the land.			
The A-O District is intended to provide locations for principally undeveloped or vacant land situated on the fringe of an urban area and used primarily for agricultural purposes, but may become an urban area in the future. The RD-5 District is intended for single-family residential development opportunities on lots of not less than 5,000 square feet in size. The district allows other uses, such as religious and educational facilities, and open spaces.			
STAFF ANALYSIS AND RECOMMENDATION: Staff recommends approving the requested RD-5 zoning for these 12.82 acres. The subject property is located in an area that is sparsely developed. Adjacent properties are either vacant or developed with single-family homes. Staff believes that the low-density single-family residential subdivision phase will be compatible with existing and anticipated land uses in the surrounding area and consistent with land use recommendations of the Comprehensive Plan and the Austin’s Colony Master Plan.			
During its meeting on June 6, 2013, the Planning and Zoning Commission unanimously recommended approving this rezoning request.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF BRYAN, TEXAS, AMENDING CHAPTER 130, ZONING, OF THE CITY OF BRYAN CODE OF ORDINANCES, CHANGING THE ZONING CLASSIFICATION FROM AGRICULTURAL-OPEN DISTRICT (A-O) TO RESIDENTIAL DISTRICT – 5000 (RD-5) ON 12.82 ACRES OF LAND OUT OF THE JOHN AUSTIN SURVEY, A-2 LOCATED EAST OF THE INTERSECTION OF THORNBERRY AND BULLINGER CREEK DRIVES IN BRYAN, BRAZOS COUNTY, TEXAS; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH; PROVIDING A SAVINGS CLAUSE; PROVIDING A SEVERABILITY CLAUSE; FINDING AND DETERMINING THAT THE MEETINGS AT WHICH SAID ORDINANCE IS PASSED ARE OPEN TO THE PUBLIC AS REQUIRED BY LAW; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Bryan has adopted Chapter 130, Zoning, of the City of Bryan Code of Ordinances, as amended, which divides the City of Bryan into various zoning districts; and

WHEREAS, permanent zoning changes made after the date of passage of Chapter 130, as amended, are made by adopting ordinances amending Chapter 130 for each particular permanent zoning change; and

WHEREAS, this requested change to Chapter 130 for 12.82 acres of land out of the John Austin Survey, A-2 located east of the intersection of Thornberry and Bullinger Creek Drives in Bryan, Brazos County, Texas, was recommended for approval by the Bryan Planning and Zoning Commission during its regular meeting on June 6, 2013;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BRYAN:

1.

That Chapter 130, Zoning, of the City of Bryan Code of Ordinances be amended by changing the zoning classification from Agricultural-Open District (A-O) to Residential District – 5000 (RD-5) on 12.82 acres of land out of the John Austin Survey, A-2 located east of the intersection of Thornberry and Bullinger Creek Drives in Bryan, Brazos County, Texas, said 12.82 acres of land being described more particularly on attached Exhibit “A”.

2.

All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

3.

Should any section, paragraph, sentences, clause, phrase or word of this ordinance be declared unconstitutional or invalid for any purpose by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby, and to this end the provisions of this ordinance are declared to be severable.

4.

The Code of the City of Bryan, Texas, as amended, shall remain in full force and effect, save and except as amended by this ordinance.

5.

It is hereby found and determined that the meetings at which this ordinance was passed were open to the public as required by Section 551.001 et seq., Texas Government Code, and that advance public notice of time, place and purpose of said meetings was given.

6.

This ordinance shall take effect immediately upon its second and final reading and passage.

AERIAL PHOTOGRAPH (2011):

BACKGROUND:

The applicants are requesting to change the zoning classification from Agricultural-Open District (A-O) to Residential District – 5000 (RD-5) on 12.82 acres of vacant land located east of the intersection of Bullinger Creek and Thornberry Drives. The applicants desire to develop this land with a residential subdivision, specifically, Phase 13 of Austin’s Colony Subdivision. A master plan for Austin’s Colony proposing a low-density residential development at this location was approved by the Planning and Zoning Commission on April 6, 2006.

The A-O zoning classification is intended to provide opportunities for development of low density, detached single-family residences on lots of at least one acre in a suburban or rural setting. This zoning classification is also intended to serve as a holding zone for vacant land areas annexed to the City as well as to protect areas that may be unsuitable for development and to preserve natural open space. The RD-5 zoning classification is intended to provide opportunities for development of detached dwellings on lots of at least 5,000 square feet in size.

RELATION TO BRYAN’S COMPREHENSIVE PLAN:

The City of Bryan adopted a new Comprehensive Plan in January 2007. The plan includes policy recommendations related to the various physical development aspects of the community. These aspects are supported by a set of goals and objectives. The Comprehensive Plan suggests that low density

residential should be located in areas that are protected from (but accessible to) the major roadway in close proximity to schools.

ANALYSIS:

In making its recommendation regarding a proposed zoning change, the Planning and Zoning Commission shall consider the following factors:

1. Whether the uses permitted by the proposed change will be appropriate in the immediate area concerned; relationship to general area and the City as a whole.

Staff believes that RD-5 zoning on these 12+ acres is appropriate at this particular location and is not only in accordance with land use recommendations of the Comprehensive Plan, but also the master plan for the Austin's Colony Subdivision. The master plan proposes more low-density residential developments on the east side of Carter's Creek in this vicinity. Staff believes that single-family residences at this location will promote orderly urban growth in close proximity to Harvey Mitchell Elementary School.

2. Whether the proposed change is in accord with any existing or proposed plans for providing public schools, streets, water supply, sanitary sewers, and other utilities to the area and shall note the findings.

Residential neighborhoods should be planned such that they form cohesive environments oriented toward elementary schools at their core. In this particular case, this proposed low-density residential subdivision is located near Harvey Mitchell Elementary School and will have access to collector streets (Bullinger Creek and Thornberry Drives). Any issues regarding utility capacity will be addressed at the time of development.

3. The amount of vacant land currently classified for similar development in the vicinity and elsewhere in the City, and any special circumstances which may make a substantial part of such vacant land unavailable for development.

The closest vacant land zoned for residential development is located a few hundred feet southwest from the subject property in the subdivision known as Austin's Colony – Phase 12. Staff believes that this zone change request, if approved, will not make land classified for similar development in the vicinity and elsewhere in the City unavailable for development.

4. The recent rate at which land is being developed in the same zoning classification as the request, particularly in the vicinity of the proposed change.

Staff contends that residential developments are developing at a moderate pace in this vicinity and elsewhere in the City.

5. How other areas designated for similar development will be, or are unlikely to be affected if the proposed amendment is approved, and whether such designation for other areas should be modified also.

If the proposed zone change was approved, staff believes there to be few, if any, effects on other areas designated for similar developments.

6. Any other factors affecting health, safety, morals, or general welfare.

Staff is unable to identify additional factors other than those mentioned above that might affect health, safety, morals, or general welfare if this rezoning were approved.

RECOMMENDATION:

Based on all these considerations, staff recommends **approving** the requested zone change to Residential District – 5000 on the subject property. RD-5 zoning on this property appears to be consistent with the land use recommendations of the Bryan Comprehensive Plan and the adopted master plan for the Austin's Colony Subdivision.
